- Pre-cut and pre-assembled
- Uses Mark VI shield supports, making shields easy to install or demount
- Supports can accommodate tempered glass or acrylic shields
- Qualified installation supervisor available upon request

GAMEPLEX™

Rink Kit Alternative

For an economical alternative to building it yourself, check out Athletica's versatile GamePlex rink system. GamePlex offers a safer, more durable, more playable environment than a wood rink system, at approximately half the cost of traditional frame systems. In addition, this semi-permanent, rotationally-molded plastic rink system is virtually maintenance-free and requires minimal set-up. See page 28 for more information on GamePlex.
