- Designed and programmed for easy operation
- Aluminum enclosures are powder-coated for durability
- Generous advertising space available for sponsor revenue
- 5-year manufacturers warranty

BLEACHERS

Bleachers

Bleachers are an integral part of any ice, in-line, soccer or multi-sport facility. Spectator safety, sight lines and ease of access are all factors that lead to a successful spectator viewing area. At Athletica we can assist you in the implementation of a bleacher system that is perfect for your spectators needs.

- Portable or Permanent bleacher systems
- Aluminium or steel support structures
- Aluminium or poly planking
- Designs are available to ensure that the bottom row of spectators can see over your dashers
- Bench or stool seating configurations
- Recycled plastic bleacher caps

Sports Stool Bleacher

Optimize seat count & sightline, while holding your budget with the Sports Stool Bleacher* created by Seating Solutions. By raising the seat height & providing an elevated footrest for comfort, sightlines are maximized even from the first row, unlike conventional bleachers. By utilizing the optional rear entry style, you can provide stadium style seating where late comers do not walk in front of already seated spectators.

- Permanent or portable
- All aluminum, maintenance-free unit
- Perfect for indoor or outdoor hockey
- Plastic seat top option insulates for a warmer seat (your choice of color)
- Optional decorative custom end panels, and transfer wheel kit

*Patent Pending

PermaCap Bleacher Covers

- Improves durability and comfort
- Dramatically enhances the look of your bleachers
- Never needs refinishing
- Easy to install
- Wide selection of colors
- Indoor/outdoor
- Colors: Red, Maroon, Orange, Yellow, Green, Purple, Blue
